

**Minutes for Public Awareness/Training Committee**  
**Tuesday, May 12, 2015, 3:30 – 4:30 p.m.**  
**Bartlett Hospital Administration Building**

**Present:** Ginny Hayes (private practice), Kevin Ritchie (After School Coalition), April Rezendes (JPHC), Bill Martin (SSPC), Gus Marx (JYS), Gayle Trivette (self).

**1. Grant Update:** Needs Assessment changes were submitted about 3 weeks ago. No response yet from DBH.

**2. Suicide Prevention Summit in June 18-19:** Event Travel Management has been contracted to handle the logistical details such as developing a website for registration, arranging food, registration, and all behind-the-scenes work. Traumatic Brain Injury organization had scheduled a speaker for the same dates but have now rescheduled. Gus provided a sample conference flier.

**3. Website contract:** Clear Mind Graphics, Inc. has been contracted to update both of our websites and have begun working with Hilary.

**4. Opportunities for free press?** Gayle will check with KINY and KTOO about having representatives of JSPC as guests on their interview shows to share information about the Summit/Mini-conference.

\*April reported about 50 students from Sources of Strength participated in a Mud Rooms event. She has photos that could be used for a newspaper story so will give them to Hilary.

**5. Training Update:** Kevin and Hilary will give a Gatekeeper Training to Big Brothers/Big Sisters in June. Ginny will send Kevin pre and post tests that were developed a few years ago for the Dr. Baugher training. Having pre and post tests will give us data to demonstrate the value of the trainings. A sign-in sheet will give us data on how many people attend trainings and contact info for possible follow up.

**6. Other Business:** Ginny has been in contact with BRH staff to recruit another representative for the coalition now that she has retired from her hospital position. Clinical Lead Nurse Jeanie Miller or E.R. Manager Rose Lawhorn are two possibilities.

**7. Partner Reports:** Bill reported SEARHC coalition will be sending people to our summit in June.

**Next Meeting: Tuesday, June 9, 2015, 3:30 p.m. at Bartlett Hospital Admin. Bldg.**
